OVERVIEW

OBERPFALZ RALLYE

OVERVIEW

In groups of the same size, the aim is to work together and defeat the opposing team in many actions!

Objective:

- Promotes team spirit, active participation, employee motivation, fun and games

Duration:

- 2 hours to 1/2 day

Number of participants:

- From approx. 20 people

Language:

- German, English

Location:

- Depending on the number of people, we will find the right location!

Note:

- Indoor and outdoor event

TEAMDIVISION

TEAMDIVISION

Teamdivision:

- A team consists of approx. 6-10 members who are divided up on site.
- We are happy to take over a random division & implement this in a playful way.
- Each team chooses a captain.
- Each team may develop a team name.

INTRODUCTION & BASIC MOIDULES

INTRODUCTION & BASIC MODULES

We would like to introduce you to our exciting game stations below.

- If you would like to use more than 5 stations, we will be happy to get creative again for you. Here you can expect to pay an additional € 450 per station.
- The teams move along the stations according to a rotation plan.
- All stations are supervised. As far as possible, they are set up away from each other so that the teams only meet from time to time - and can complete their tasks undisturbed.

These two basic modules are already included in the complete package:

Creative station:

- Throughout the rally, there is the additional task of creating a poem, song, interlude or similar with the whole team. Certain terms to be mentioned are given to increase the difficulty. The work is then performed as a highlight after the rally or meal.
- Important to fill any breaks in the rotation at the same time
- Each team receives points for the performance.

Photo station:

- So that the participants have a memory of the team event for a long time to come, photos of the teams are taken, which then find their place on the certificates.

PLAYINGSTATIONS

1. it zoigt in the Oberpfalz

- Your knowledge of Zoigl beer is tested here.
- For many people, the Zoigl star is just a star. We show that this is not the case, but that every star has a meaning.
- Is the Zoigl brewed according to the Bavarian Purity Law? This is where the experts come in.

2. experience points in the Oberpfalz

- How well do you know your way around the Upper Palatinate?
- If you were good at geography, you can score points here. Matching the various points of interest to the correct locations is an exciting challenge.

3. what does the Oberpfalz sounds like

- The Upper Palatinate is known for its musical vein.
- Are you culturally savvy & can you match our recordings to the songs?

4. what do the stars of the Oberpfalz taste like?

- Are you among the gourmets of the Upper Palatinate?
- Your taste buds are in demand here, with which you can guess various favorite ingredients of the famous star chefs.
- But beware, we won't make it too easy for you and won't give whispers a chance!

5th Oberpfalz Quiz

- Many companies in our region have made a name for themselves and are on everyone's lips.
- Can you solve a quiz on a wide variety of questions?

“Regensburger Photochallenge”

OVERVIEW

REGENSBURGER PHOTOCHALLENGE

A team incentive where you get to know the city of Regensburg in a completely different way. We provide “fun and useless” knowledge from a wide variety of areas. You can get creative with a few stylish accessories, create memories and collect points together for your team. We also took care of your physical well-being at one or the other station.

Objective:

- Promotes team spirit, active participation, employee motivation, fun and games

Duration:

- 1.5 to 2 hours

Number of participants:

- From 20 persons

Language:

- German, English

Location:

- Depending on the number of people, we will find the right location!

Tip:

- Indoor and outdoor event
- DSGVO compliant

INTRODUCTION

INTRODUCTON

- The guests are playfully divided into teams.
- Each team is given a road book via an app as well as a backpack and a few tools to complete the photo tasks.
- The teams are allowed to find each location themselves, the first one is still in the large group.
- Each station consists three parts. The first part is to follow the coordinates and find the destination.
- Then a quiz can be solved to collect more team points.
- The third challenge is to take the best group selfie. But be careful, the photo challenge is not that easy, there are many points to consider
- The teams meet again and again on their different routes, whether during a task or for a tasty drink or snack on the corner...
- We often choose the Walhallabahn near Stadthof as the meeting and starting point, which is of course variable.
- The end station can also be chosen flexibly. Here, guests can be guided in the right direction for the subsequent dinner/lunch, for example.
- We like to use this relaxed atmosphere for the award ceremony with an insight into the evaluation.

THE STATIONS

THE STATIONS

Do you not like a station or would you like to include a spot in Regensburg? Changes are possible on request.

Station: Delicate food - getting in the mood

- The guests are invited to enjoy a drink of their choice to get them in the mood and are then allowed to complete the photo task.

Station: Stone bridge

- There are so many interesting facts about THE highlight in Regensburg. After the first quiz, there is an active group task in front of the camera.

Station: Wurstkuchl

- We've made provisions, as we don't want to send the teams running around on an empty stomach. After a little refreshment, exciting questions and the photo challenge await.

THE STATIONS

THE STATIONS

Station: Angel pharmacy

- Everyone knows it, but no one knows how it came about - we'll find out! As usual, the quiz question is followed by a group selfie.

Station: Weissbräuhaus

- In keeping with the location, the teams can enjoy a small, freshly tapped white beer while solving the task.

Station: Hatter

- Did you already know? We surprise you with amazing facts. Afterwards, the teams are asked to put their crafting skills to the test.

Station: Old Town Hall

- Of course, this historic place is not to be missed. We uncover which well-known proverb originated here.

THE STATIONS

THE STATIONS

Station: Café Princess

- This traditional confectionery is well known and offers its guests a small sample with which they can get creative right away.

Station: Golden Tower

- If you have children, nieces or grandchildren, you might have an advantage here! We don't want to give any more details.

Station: Haidplatz

- The story goes way back, we are curious to see who has the answer. Here we have to look closely, we are looking for a little lucky charm hidden on Haidplatz.

Station: Tändlergasse

- All teams can come together again at this final station. As a final task, all participants can network with each other in a playful way before moving on to the cozy part.

- Conception of an individual chart show
- Accompanied by our professional moderation & co-moderation, live musicians, DJ and our editorial team
- Your employees can submit music requests and share pictures and videos
- Christmas quiz
- If desired, there is space for the latest news and stories from the company. A short speech from the management can also be included.

Addition for hybrid to online

- Streaming studio with appropriate technology and Christmas decorations
- The technical requirements for your employees are very simple. All they need is a computer, laptop or smartphone with an internet connection to participate from anywhere in the world.

ENTERTAINMENT ON TOP

ENTERTAINMENT ON TOP

To involve your employees in a hybrid or online event.

- Compilation of an X-Mas box with drinks, snacks and accessories.
- Delivery to your employees' homes.

Mainly for the live event

- Do something good together.
- We provide a large, beautiful tree with fairy lights and the employees are responsible for decorating it.
- Everyone is given the task of buying and wrapping a small gift worth up to €10.00.
- At the reception, everyone can hang their gift on the tree.
- After the event, the tree is donated to a charity to support those who are less fortunate at Christmas.

The employees behind the screens can send small gifts to the chosen institution or donate a small amount if they wish.

- There are certainly institutions nearby that you can help.
